A Celebration of Wonder and Taste

Janôt is an old Portuguese expression—an exclamation of beauty and delight. It's a word Chef Avinash heard often from his grandmother, now lovingly revived through this restaurant. In honoring that memory, Janôt becomes a space where tradition meets imagination.

Our approach to food is intentionally fluid. Unbound by cuisine, yet rooted in a deep reverence for ingredients, we allow the seasons, the land, and the stories behind each element to guide us. Every dish is a thoughtful expression—personal, place-driven, and crafted with care.

At Janôt, we invite you to experience not just a meal, but a moment—unexpected, heartfelt, and quietly extraordinary.
